PUBLIC NOTICE

To all interested parties: This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

- 3. Project location:** SE ¼, Section 18 and NE ¼, Section 19, Township 4 South, Range 10 West, Knox County, Haubstadt USGS Quad.
The project is located on I-64 west of the US 41 interchange as I-64 crosses the railroad tracks.
- 4. Affected waterbody:** Tributaries to Pond Flat Ditch.
- 5. Project Description:** The applicant proposes to install thermoplastic liners into two structures in order to extend the serviceable life of the structures. Structure 1 will have 245 linear feet of liner installed. Structure 2 will have 219 linear feet of liner installed. To access the culverts, temporary dikes will need to be installed and the water pumped around the project site. All temporary fills will be removed upon completion of the project and the area restored to preconstruction grades, contours, and vegetative conditions. For additional information please visit the following webpage address: <http://www.in.gov/idem/6393.htm>.

Comment period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions? Additional information may be obtained from Mr. Jason Randolph, Project Manager, at 317-233-0467. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
